Re: Yehonatan Kapach v. Intel Coroporation et al.

Dear Mr. Kapach,

I write in response to your submissions dated 19 August, 2020.

Please note that the submissions do not comply with the requirements of the 1965 Hague Convention on the Service Abroad of Judicial and Extrajudicial Documents in Civil or Commercial Matters, including, *inter-alia*, because they were not accompanied by the appropriate form as stipulated by Article 3 to the Convention.

The above notwithstanding, I hereby declare, pursuant to Article 13 of the said Convention, that your request cannot be executed.

After consideration of your request, it has been determined that compliance with the execution of the service request in this matter would infringe upon the sovereignty of the State of Israel.
